...Foreword...

AS IN the days of Arthur's kingdom gallant knights and bold rode forth in quest of the "Holy Grail"; so we, the knights and ladies of '31, have traversed the kingdom of U. S. H. S., in search of the light of knowledge.

The peers of the realm of learning have guided and challenged us as we labored. Now through their efforts, the help of our loving parents, and the encouragement of those other seekers who have preceeded us in this same quest; we "rise to meet the dawn" of wisdom's light.

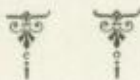

Our fellow pilgrims, the younger heralds, squires, and pages, all who aspire to knighthood will soon follow us.

Along our way we have been entertained by bards and minstrels, many of them from our own order. Our knights-errant have oft engaged in joust or tournament where they displayed their prowess and their skill.

As a record of our quest we have published this book that it may tell to others the tale of our travels; that it may serve to remind us of the pleasant comradships and joys of our pilgrimage. If this imperfect little volume satisfies these demands, it will be to us a valued souvenir.

Arise, all ye who read these pages! Join with us and "rise to meet the dawn."

—Catharine Good,
Editor '31

...Dedication...

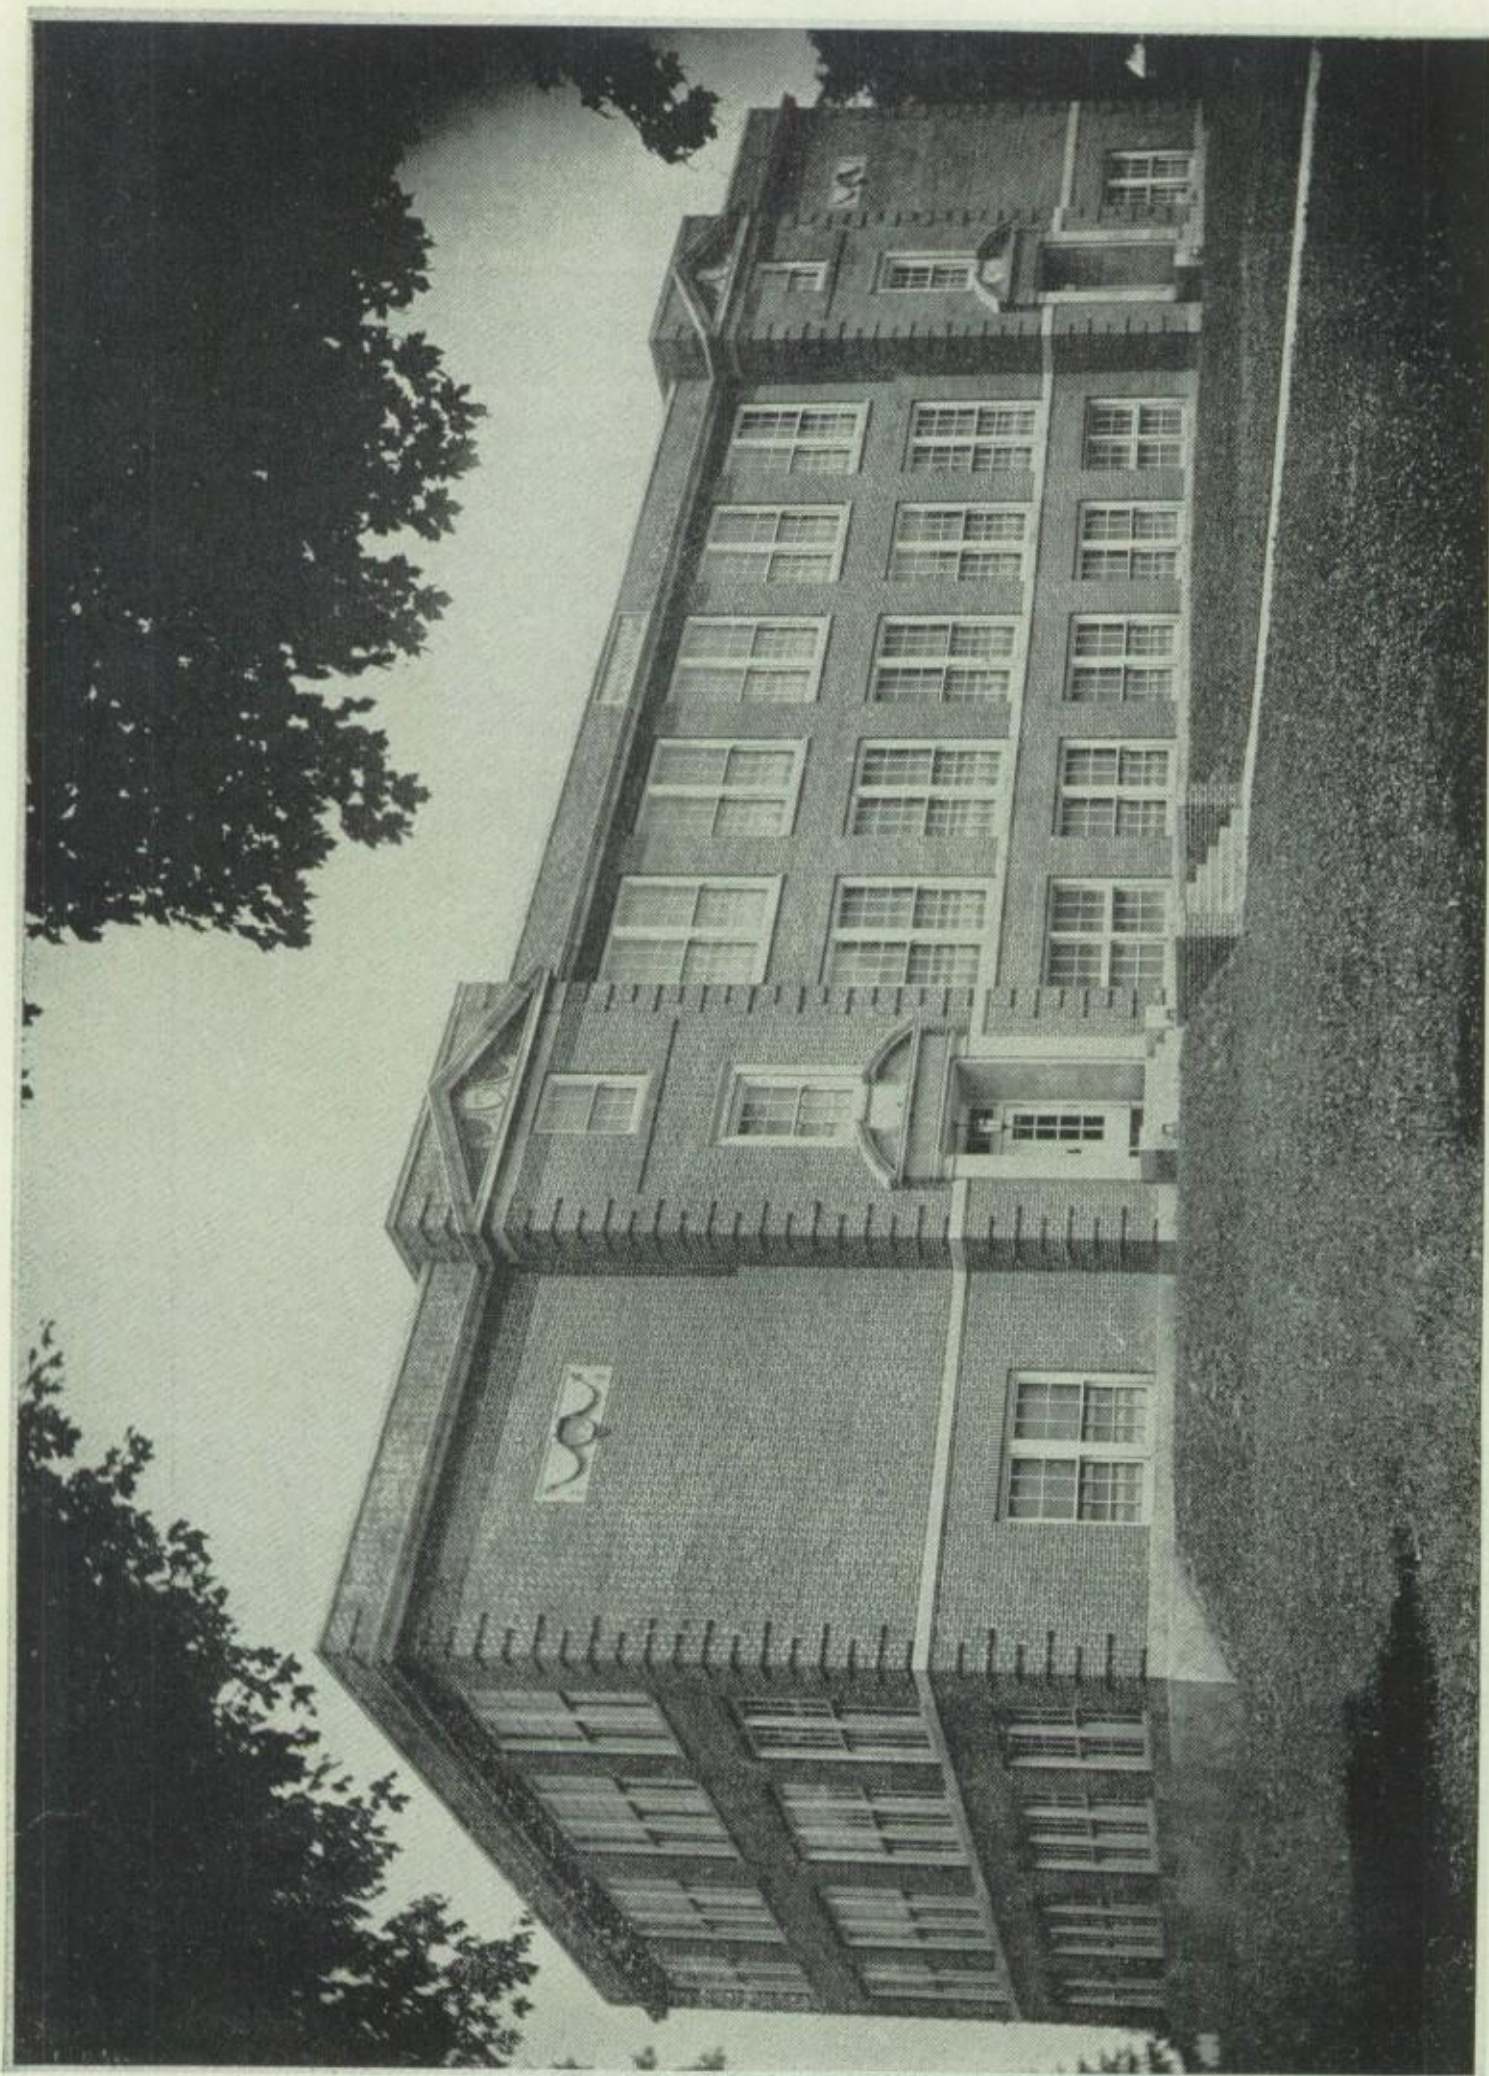

To Miss Mamie Stearns

We, the Class of 1931, gratefully dedicate this, our Annual, as a token of our sincere appreciation of her as a teacher and friend.

As a teacher, she has always willingly helped and guided us, and inspired in us noble ideals.

As a friend, she is the interested companion of all who know her. She has proved to us that "it is fun to live"—to live abundantly.

...Appreciation...

Brother Tree;

Why do you reach and reach?

Do you dream some day to touch the sky?

Brother Stream;

Why do you run and run?

Do you dream some day to fill the sea?

Brother Bird;

Why do you sing and sing?

Do you dream—

Young Man;

Why do you talk and talk and talk?

At last our dream of high school life is over.

As we look back we wish to express our gratitude and appreciation to the teachers and friends who helped us.

First we wish to thank Mr. Moore and Mr. Houpt who have taught us always to reach forward.

Next, we thank our class adviser, Miss Erma Stearns, who always encouraged us to keep trying.

Thanks go to our athletic instructors, Mr. Raabe, Mr. Little and Miss Kuenzli; also to Miss Hoover and Mr. Huffman, our music leaders.

We thank Mr. Holland who taught us higher math., Miss Golling for showing us the way of business, Miss Mamie Stearns who was chief dressmaker and cook, Miss Edmund, our English teacher, and Miss Pease our Spanish teacher.

Thanks also are due to Miss Slemmer who kept the office and to the Hannums for their help.

In conclusion the Class of '31 wishes to thank all friends for their help and cooperation.

The members of the Knightly Order of '31 wish to take this opportunity to express their appreciation to the Court of Learning and to all other friends whose interest has contributed so much to this year book.

We especially wish to thank Sir Lawrence (Mr. Houpt) for his counsel and advice in helping us plan our Annual.

...Senior Class History...

President	<i>Friel Ulrich</i>
Vice President	<i>Mervin Krock</i>
Secretary	<i>Kathryn Stephan</i>
Treasurer	<i>Edith Barth</i>

'Twas in the year nineteen hundred and twenty seven that the Senior Class of '31 entered U. S. H. S. There were about one hundred Freshmen as we climbed the stairs that hot September morning. Our race had begun. We resolved to work diligently for the task was difficult. At our first Freshmen assembly Richard (Dick) Harman was chosen president of the class. To him we looked for guidance and advice.

On returning the next fall we found that most of our team were still in the race. We were Sophomores, the youngest group in the Senior Hi. We organized and elected Robert Manning our leader.

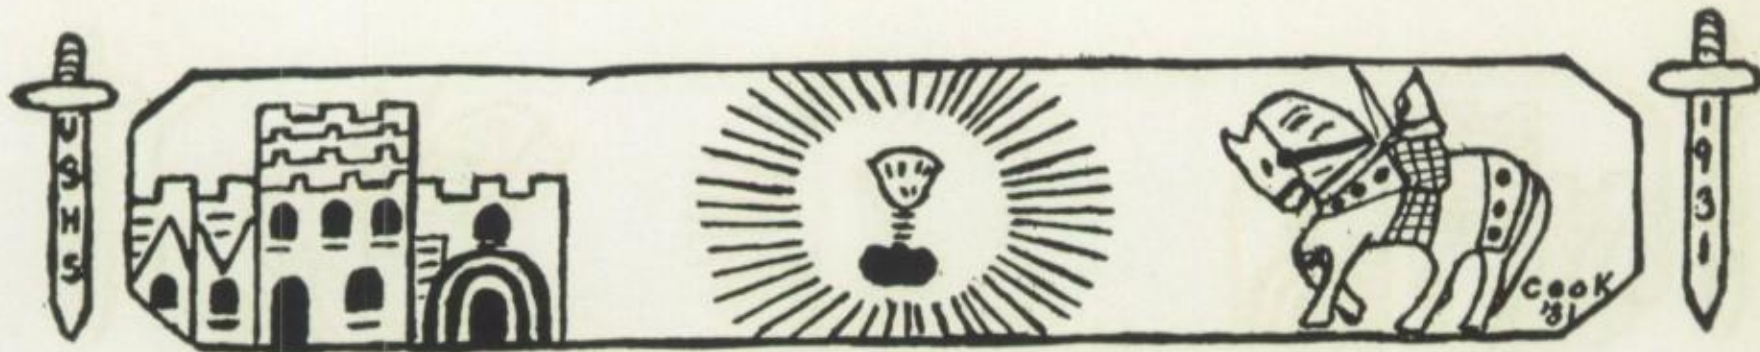

The fall of '29 we were Juniors. We had reached the third lap in the race of our high school life. With great care we chose Monroe (Mony) Stevenson our leader. Upon him devolved the responsibility of the Junior-Senior Banquet, which was an affair that we shall never forget.

Those of us who were able to safely pass all the stumbling blocks now approached the goal—Seniors. There were nearly seventy of us. Being anxious to organize, we met shortly after returning to school. We selected Friel Ulrich, president, who although small has great mental ability.

Now we are nearing the end of our race and we approach graduation.

Our class has been well represented in all activities of the school. We hope to succeed in the world as we have during our high school career.

—Wanda Schlup '31

...Prophecy...

I always did have a mania for collecting curios. First it was postage stamps and foreign coins to which my hours of accumulation were so ardously devoted. That was when I was a senior in the Upper Sandusky High School in 1931; this curio activity of mine was a source of much interest to my classmates. Often their ridicule was showered upon me, but never-the-less they appeared to enjoy viewing my collection.

True to my youthful interests, I am now the proprietress of "Ye Antique Shop" in the city of Cleveland. It is the twenty-sixth day of May in 1941. Just ten years ago tonight we graduated from good old U. S. H. S.

On this very morning I had been taking an invoice of my shop. What memories it revived. Yes, my classmates had remembered how I liked to gather together this and that. They had all catered to my whim and sent me souvenirs which were symbolic of their various professions. Indeed, my former comrades had engaged in a regular Arthurian Crusade just as we had pledged to do that senior year in '31. They had traveled to many realms and conquered many fields of activity and learning in those ten years.

Charlotte Altenberger, who was now directing a hotel orchestra, had sent me a baton which was presented to her by Walter Damrosch. A frequent guest at this hotel was Franklin Byrd whose contribution to society was his famous modern version of the nursery rhymes. He had sent me the latest edition of these jingles.

In my imagination I heard shouting and saw a group dressed in athletic suits. In front of this group of eager girls stood Jane Neumeister and Ruth Armstrong. These two physical education teachers had sent a whistle-cord and a whistle. Kathleen Moloney was the swimming instructress in the same school. A life saving emblem represents her aquatic profession.

Helen Gatchell had become known as the second "Greta Garbo" to the movie world. Her wealthy patron, Edith Barth, very graciously mailed for my collection the purse carried by Miss Gatchell in her last picture.

Leah Jeanne Kotterman and Helen Cook sent their latest beauty preparation from their Broadway Saloon.

Wanda Schlup and Catharine Good were teachers in Wellesly College, Wanda presiding in the history department, and Catharine studying in France, where she had been sent abroad by the language department. On a recent trip to Cleveland Wanda had given me a history manual which she had prepared.

I was quite surprised, when opening my mail the other day, to find a post card of the "Singing Tower" from Mildred and Dorothy Feeley. Those girls had been enjoying a sojourn in Florida since the first of January.

Elizabeth Peters had sent a pressed rose from the corsage which she had worn in her operatic debut. Margaret Fox had been her accompanist.

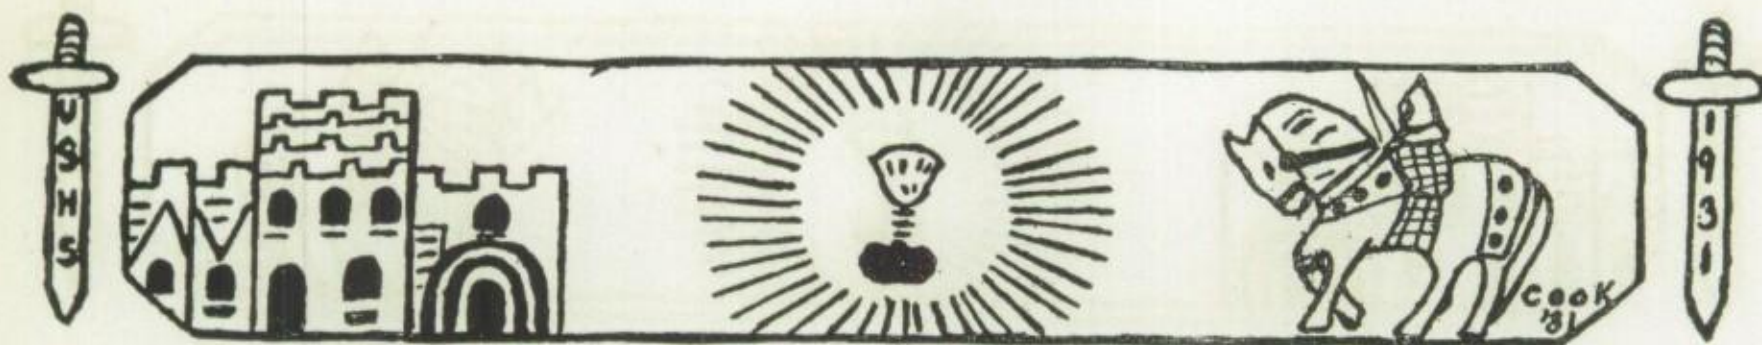

Helen Stephan sent a program from London where she had recently been featured by the Chicago Symphony Orchestra.

A bulky package from Velma Spencer and Naomi Frey contained a rock from the summit of Pikes Peak. This rock had been obtained by the girls themselves while touring the West. They highly recommended the service received at the filling stations owned and supervised by Wilson French and Noble Earp.

Catherine Gillen and Gladys Iams are Spanish interpreters in New York; they added to my collection the personal gift of a beautiful Spanish Shawl.

Dorothy Schwilk had become the blushing bride of Floyd Culver. Dorothy had thoughtfully provided me with a piece of her wedding veil.

Thelma Krock sent me her latest musical composition. She is now playing a pipe organ in a well known London Cathedral.

PROPHECY (Con't.)

Among my collection I had a clipping from the New York Times. This clipping told of the recent success of the Discord Concert Company. The warblers were, Bertram Leslie, Mervin Krock, Vernon Sebenoler and Edmund Wagner. Imogene Derr composed the music and Alice Kraus was responsible for the lyrics.

Colleen Hutchinson sent me a ticket for one of her musicales. Colleen teaches music in our very own Alma Mater.

Vance Mouser sent a badge of merit he had acquired for his outstanding achievements as a National Guard.

I consider the Popular Mechanics one of my most cherished possessions. It contains a picture of a revenue cutter with a new automatic silencer. This cutter is the one operated by Howard Swartz and William Switzer. Waldo Merrick had perfected a modern, as well as practical, television machine. I turned the page and there in large type appeared the name of Homer Woessner who had discovered a new element in chemistry.

Through the mail I received a snap-shot of Harvey Jurey and Dick Harmon, with the Davis cup which they had won for the U. S. in the year 1940. Gordon Scheidegger had become a national figure through his fame as a national golfer.

That very day I was surprised to receive a book of poems written by Kathryn Gaver and Beulah Larick. My memories returned to my high school days when Beulah and Kathryn composed lyrics in English and Latin classes.

Several weeks ago I spent a very enjoyable evening at a dramatic recital at the auditorium. The program included "impersonations of national figures" by Lucille Scherry, and a speech "The Theater and its Origin" given by Evelyn Jenot. After listening very attentively to Lucille's impersonations, I heard a familiar giggle. I turned to see Ikena Miller in one of her characteristic fits of laughter.

I also found among my souvenirs a menu from the candy and soda grill owned by Regina Joseph and Angela Manningen. Martha Ulrich and Alice Schmidt were two of the head-waitresses.

Arthur Loverich and Pearl Dawson had given me a copy of the latest composition of the U. S. Marine Band in which they were prominent members.

A letter from one of my classmates told of the activities of those who had failed to contribute to my collection. I learned that Roma Smith was an efficient welfare worker in Detroit. Grace Brittingham and Helen McDaniel were outstanding nurses at Battle Creek Sanitarium. Imagine my astonishment upon finding that Grace Lawrence had married Prince Olenska. Wilbur was the best man. I was greatly relieved to know that he hadn't stubbed his toe or made any unnecessary noise with his heel plates as the pianist played Lohengrin. Allan Witzel was president of the National Bank at Washington. Ethel Brocklesby was employed as cashier. Friel Ulrich had taken over his father's position in the court house at Upper Sandusky. Russel Rogers was in the Barchus Jazz Orchestra. Vaye Carpenter and Kathryn Stephan had graduated from T. B. U., and had very fine private secretarial positions. Stephan Cornish and Frederick Sheck were operating the bus line, originally called "Grey Hound". Herman Drown had just attained the position as president of the Universal Telephone Exchange.

An anonymous person sent me a leather-bound copy of "Ultra-Modern Satires" written by J. Monroe Stevenson.

What sorrowful and yet pleasant, reminiscences this odd collection of articles gave me! My mind returned to by-gone days, and I longed once more to be among my dear old friends and teachers back there in good old U. S. H. S.

Catharine Good

The valedictorian won her honors through persistent and constant application to her work throughout her high school career. She has been a leader in athletics, literary activities, debate, Girl Reserves, and was editor-in-chief of the 1931 Annual. All of her activities have made her a student of a varied experience in her high school life. She possesses that initiative which is so essential in the accomplishment of any constructive piece of work. Therefore she deserves a place on this honor page by conquest and merit.

Helen Stephan

Our salutatorian holds the same enviable position as the member of this honor-group as our valedictorian, because of purposive effort. She participated in athletics, operettas, and musicales; also she was a member of our band and orchestra throughout her high school career. Therefore she too, is placed upon this honor page because of her own ability, activity, leadership, and application to her tasks during her high school career.

Friel Ulrich

The president of the class received his position by unanimous consent of his classmates. He was always an energetic worker for the welfare of his class. His genial disposition and industrious application to work in class-room and music made him one of the good "knights" to be elevated to the position as president of his class.

Kathleen Moloney

The class orator has won her right to be on this page by strict and persistent work in her high school years. She has participated in her class activities and was a manager of the girls' basketball team. Her scholastic attainments are rewarded by her being chosen to represent the class as its orator. Thus the reward for meritorious effort.

THE SONG OF '31

*Comradeships of Upper High,
Here's to you!
Friendships formed to last for aye—
Friendships true.
Guides and friends, our faculty,
Complete the sociability.*

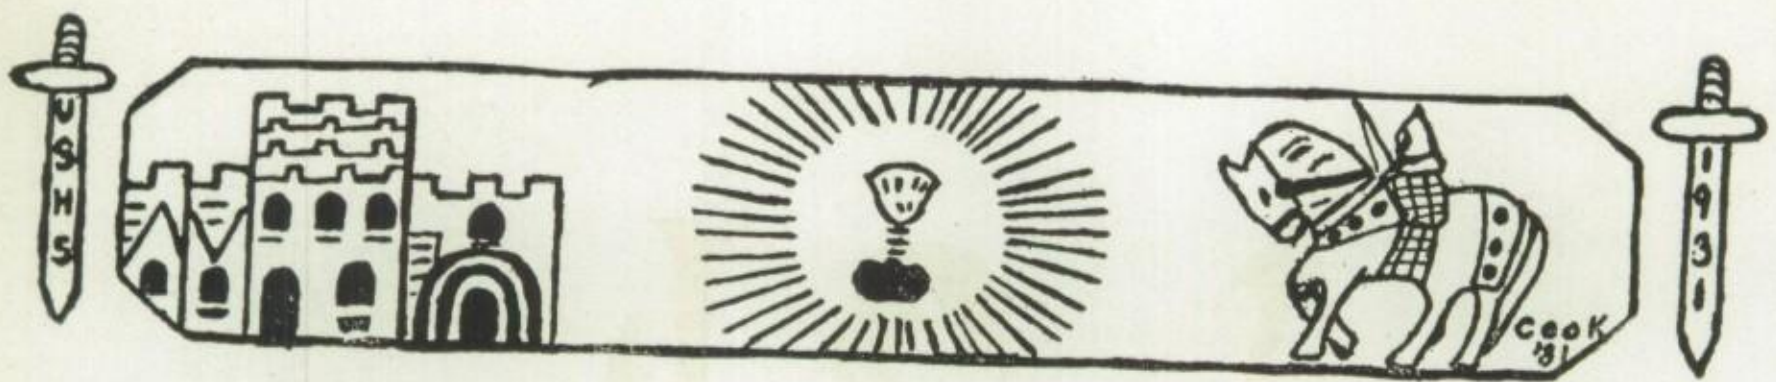

*Seniors, sing a melody
For class harmony.
Senior Class at Upper High,
We'll be true.
Thirty-one is our ensign;
Boost it too.
Freshmen, Sophomore, Junior, all—
Each year happy to recall.
May this year most glorious be,
Seniors all, for thee,*

*Schoolmates, to our high school days
Gladly sing.
Many are the joys that these
School days bring.
Fun and pleasure, work and play,
These blend to compose each day.
Devotion alone is due,
Upper High to you.*

ONE OF OUR FLEET

This is one of our fleet of nine busses which carry the subjects from the outlying provinces to the Castle of Learning. Guided by their faithful pilots, they plow the county seas in calm or storm. Bearing eager jousts they glide across the miles of rival kingdoms where our colors are upheld on field or floor. Hail to our "ships of school!"

JUNIOR CLASS HISTORY

In the fall of '28, one hundred and three verdant boys and girls calling themselves "Freshmen" bounded up the creaky steps of the Union School Building. They were starting on their four year cruise through high school, under the able guidance of their officers: Charles Milligan, President; Henrietta Martin, Vice President; Mary Louise Lynn, Secretary and Madeline Bolish, Treasurer. They were able to arrange two parties which were great successes. By the end of the year they had some of their verdure worn off and were ready to start in the next fall to begin to learn something worthwhile.

They entered the Senior High feeling very proud with eighty-nine still on board. A few months after school started, they changed their captain and crew to Byron Warfel, President; Vance Danford, Vice President and Mary Jane Gaver, Secretary and Treasurer. One of the main events was the Christmas party held December 7 in the Senior High Auditorium. Not yet free from their childish beliefs they had a Christmas tree and a real Santa Claus.

Undertaking the third year of their voyage, feeling very proud of their title and looking forward to the next year when they would be Seniors, they raised the gang-plank with eight-six on board. They chose Karl Althaus, as Captain. His helpers were Herbert Parish, Alice Berg and Donna Sheckler. This year they sponsored the Lyceum Course and the Passion Play, the latter appearing on Good Friday. They had two parties, one on Dec. 4 and the other March 12. The latter one was a "hardtime party" and no one knew what hardtimes were until they saw the lunch of "hard tack" served on pie pans.

Next year as Seniors they hope to keep their colors flying high, and safely reach the harbor.

SOPHOMORE CLASS HISTORY

In the second week of September, 1930 a class of eighty-five bright and faithful students walked up the steps of the Senior High School, which at that time was new to us, but is by no means new to us now.

As we entered our high school career, we decided that each year we must have a captain. In our Freshman year we elected Robert Logsdon as Captain. His assistants were Jane Moloney, and Horace Hetzel. They showed themselves to be very capable of their positions. During our Sophomore year we chose Gail Neiderhauser as President. His assistants were Edward Landversicht, Vice President and Martha Jane Bringman, Secretary and Treasurer.

On December 19, we decided to hold our class party which was to be a Hardtime Social. The party was well attended and an enjoyable time was had by all. The party was chaperoned by the Misses Erma and Mamie Stearns.

We are proud to say that the Sophomore Class is well represented in athletics and school activities such as band, orchestra, and glee club.

Our success in all activities is due to the able efforts of our class advisers, Miss Mamie Stearns and Miss Jean Golling.

FRESHMAN CLASS HISTORY

We are now members of that most ridiculed class, the Freshman, reputed to be green but in reality a class that is going to turn ridicule into admiration.

Early in the beginning of the school year we held our first meeting and elected the following officers: President, Charles Martin; Vice President, Frederick Belzner; Secretary, Mary L. Witzel; and Treasurer, Paul Cook.

Soon after this meeting we held our Freshman Party at the Senior High Auditorium. Too much cannot be said about this party; everyone fully enjoyed himself.

Quite a few of the Freshmen are taking part in the musical and athletic organizations of the school, a few of the members of the class furnishing "lung-power" for the cheers; so we'll end with—"Who's all right?—Why, the Freshmen."

—Janet Berg '34

EIGHTH GRADE CLASS HISTORY

Early in the fall of '30, seventy-two pupils entered school and enrolled as eighth graders. We set to work with a firm and resolute will, eager to learn all that was possible.

Although still young, we displayed much enthusiasm and ambition in the school activities. We were well represented in the different musical organizations and grade basketball teams.

Early in March a meeting was held and plans for the class party were made. Committees were selected and preparations began at once. On the evening of the seventeenth the pupils gathered together at the Senior Auditorium and enjoyed a social time. The class was well chaperoned by Miss Neumeister, Miss Schoenberger, Miss Hetzel, and Miss Mittermaier.

We are already looking forward to our flight through the high school years and sincerely hope our class, the class of '35, with a second Lindy for its pilot, will make a name for itself before leaving the Upper Sandusky High School. ,

*Let us then, be up and doing,
With a heart for any fate;
Still achieveing, still pursuing,
Learn to labor and to wait.*

—Mary Katherine Hull '35

SEVENTH GRADE CLASS HISTORY

School opened September 2, 1930 with sixty-three seventh grade pupils enrolled. They were supervised by Mr. A. O. Suber and a staff of Junior High teachers.

Early in the fall a meeting was called to organize the class and the following officers were elected: President, Rebecca Ayers; Vice-President, Frances Clark; Secretary-Treasurer, Neva Neate; and Assistant Secretary-Treasurer, Betty Lou Leser.

On Wednesday, December 24, 1930 the seventh grade had a class party in the Senior High Building. Everyone expressed himself as having had a lovely time. Miss Diller, Miss Schoenberger and Miss Mittermaier chaperoned the party. Games were enjoyed and lovely refreshments were served by the eats committee. This is the first seventh grade in the history of this school that has had the privilege of holding a class party.

SENIOR GIRLS' GLEE CLUB

The Senior Girls' Glee Club was organized a few months after the beginning of the school term. The club, composed of fifty members, has worked hard under the leadership of Professor Huffman.

The whole glee club participated in the Senior Operetta "Lelewala" which proved to be a big success. On April 17 the club took part in the Musicales which was held at the Upper Sandusky High School Auditorium.

Gladys Hannum was appointed Secretary of the club and Henrietta Martin was appointed the Pianist.

We wish to thank Professor Huffman for all his patience and hard work in our club this year.

—Charlotte Louise Altenberger '31

BOYS' GLEE CLUB

The Boys' Glee Club, with whose melodies Mr. Huffman labors so faithfully, started with 24 members. In spite of the fact that they were called the "Heinz Pickle Chorus" due to the fact that there were so many different varieties of voices, they have made notable progress, and in co-operation with the Girls' Glee Club they were able to present the Senior Operetta.

The Seniors, who are: Franklin Byrd, Vernon Sebenoler, Herman Drown, Floyd Culver, Allan Witzel, Wilbur Lawrence, and Bertram Leslie wish for the Club a permanent place in the school. They wish to thank Mr. Huffman and also the pianist, Thelma Krock, for their patience and hard work in making the club a success.

— Bertram Leslie '31

JUNIOR CHORUS

The Junior Chorus consists of seventy members of which, with the exception of six, all are girls. The chorus assembles twice a week. The pupils are from the seventh, eighth and ninth grades. There are also several Sophomores.

The cantata "Evangeline" was given on Feb. 19 by the chorus. The scene of the story was in the Acadian lands. The plot centered about the love of Evangeline and Gabriel. They were parted when they were young and spent their lives looking for each other. When at last Evangeline found Gabriel, he was an old man. As soon as she reached him, he died.

This was the first time that a cantata had been attempted for quite a few years. It was a huge success both financially and artistically.

The two solo parts were taken by Margaret Freeman and Janet Garwood, the latter taking the part of Evangeline. The accompanists for the cantata were: Mildred Fox and Helen Stephan, violinists and Alice Ayers, pianist. The last has been the regular pianist for the chorus all year.

—Janet Garwood '34

HIGH SCHOOL ORCHESTRA

The H. S. Orchestra, with Mr. Huffman as director, began the school year of '30-'31 with thirty members. Practice was started a few days after school began and one by one those blue notes disappeared.

The orchestra played on several occasions, some times at the school building and other times in churches of the surrounding community. Their largest undertaking was the accompaniment for the Senior Operetta. However, after lots of practice they were able to make this large task a grand success.

The Seniors leaving the orchestra this year wish to thank Mr. Huffman for his capable guidance, and also wish the orchestra success in attaining a higher place in the school curriculum.

—Bertram Leslie '31

SENIOR BAND

Because of the direction of Professor Huffman, the Upper Sandusky High School Band has become a successful musical organization.

The Band, boasting of forty-eight members, has done much for our local community in the way of entertainments during the last year.

The Senior Band played at most of the home and out-of-town football games during the last season.

On April 17 a musicale, in which all organizations took part, was held at the U. S. H. S. Auditorium. On May 2 the Band Festival was held in this city for the second time. There were seven out-of-town bands present. The critic for this occasion was Captain Taylor Benson, leader of the U. S. Marine Band.

The band officers were: President, Dale Shambaugh and Secretary, Donna Sheckler. Our Drum Major was Joseph Bringman.

The Band members worked faithfully, practicing four days a week for nine months, but none of this practice was in vain.

There are twelve members leaving the band this year at graduation. They all wish Professor Huffman and the band members further success in the coming years.

—Charlotte L. Altenberger '31

JUNIOR BAND

The Junior Band has worked hard this year under the guidance of Professor Huffman. The band is composed of forty members.

The purpose of the Junior Band is to train its members for the Senior Band.

On April 17 the Junior Band made its first public appearance in the Musicale which was held at the Upper Sandusky High School Auditorium.

We know that these members will be very able to fill vacancies in the Senior Band.

May they be very successful in the coming years.

PUBLIC SPEAKING CLASS

This year's Public Speaking Class consisted of seventeen members. The purpose of the class is not to make orators, but to make it easier for us to express our thoughts and ideas, for it has been said, "There is no impression without expression."

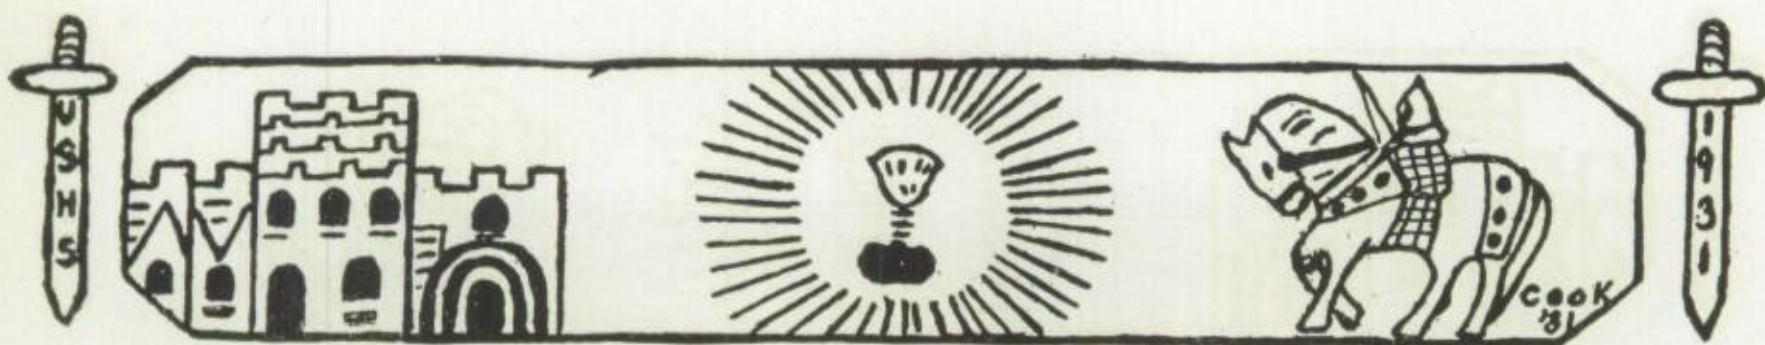

During the year many different contests were held; our teachers and some of the business men acted as judges. On the average every member of the class memorized about fifteen poems or orations. We believe these will be of a great value and benefit to us in our later life.

We wish to take this opportunity to give our sincere thanks to our efficient instructor, Mr. Moore, who not only taught us the principles of Public Speaking, but the more important ones of life.

—Grace R. Lawrence '31

ATHLETICS

Richard Harman

"Dick" was our signal man. He combined brains with speed to make a fine quarterback.

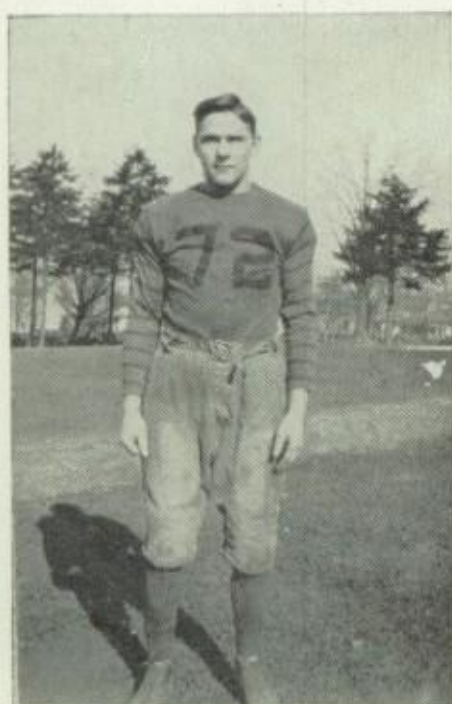

Herman Stalter

"Hum" is a high stepping end. He has a punt filled with "T. N. T."

Coach Raabe

Raabe was a real "pal" to his proteges. He built a fighting team. May next year be a banner year.

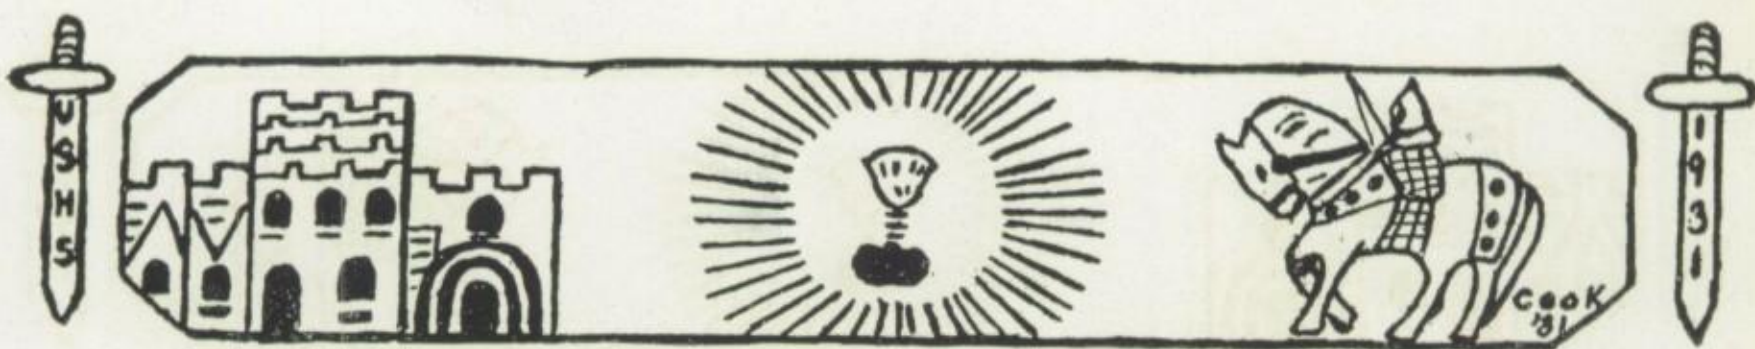

Byron Warfel

"Waffles" kept his end of the game going. Good luck next year, Byron.

Karl Frederick

It would take a block and tackle to hold "Red." He's a hard hitter.

Charles Milligan

"Chick often started **back** at **half** and stopped at **end**, but he played a dandy game in either position.

Frederick Gottfried

"Freddie" gave more than **half** of his spirit to the game. We wish him another whole year of football fun.

Coach Little

Mr. Little helped remove "Bumps" from our football machine. May he have few **bumps** and much success as a football coach.

Herbert Parish

"Slab" was in the **center** of every play. Stay in the swim, Herbert.

Dean Harmon

At the defense work Dean was fine. **Guard** that ability, Sophomore.

Karl Althaus

The guard with the nose guard fought hard. No broken bones next year.

Monroe Stevenson

We're sorry this is the end of high school football for "Monnie." His playing was dependable and consistent.

Gail Neiderhauser

"Needy's" scorecard was full. We hope he'll be back next year.

Howard Swartz

"Greedy" managed to live up to his nickname. He certainly coveted everything good for the team.

Allan Witzel

"Lord Tattler's" been a good tackle. 'Twas not beneath his dignity to "hit 'em low." This is his last year with U. S. H. S.

William Switzer

"Bill" aided the team materially by his knowledge of football and as a manager. He kept the team in high spirits.

Elmore Clark

No, not a fishing **tackle**, but he dove into the "pigskin" fray eagerly.

John Harman

"Johnnie" **quartered** himself in the camp of wit. He had playing moods too.

David Hale

May he **tackle** next year's assignment with renewed vigor and enthusiasm.

Harry Miller

Miller is a chap with plenty of drive. May he hold up his **end** next year.

John Klein

"Johnnie" joined the U. S. H. S. **guards** this year. He helped to defend the fort by his steady work.

Harold Roth

"Rothie" **tackled** opponents; he even **tackled** the **fullback** position at times. He has three years more to play.

RESUME OF 1931 GRIDIRON GAMES

When the football call was sent our early in September, twenty-six boys responded. We suffered very much because we lacked experienced players. Only three lettermen, Richard Haman, Byron Warfel, and our "punter", Herman Stalter, returned for the season.

After some strenuous workouts and "dummy tackling", we began our field engagements. The first game was with Findlay who "walloped" us badly. We determined to win as many of the remaining games as possible, but due to lack of veterans and brawn we were compelled to wage a defensive battle at times. We gained much satisfaction, however, by defeating Carey on a snow-covered field. This "Turkey Day" victory made a grand finale for the season.

The team wishes to thank the band, student body, and teachers, for their support. Much credit is due our faculty managers, Professor L. H. Houpt and "Bob" Derrickson.

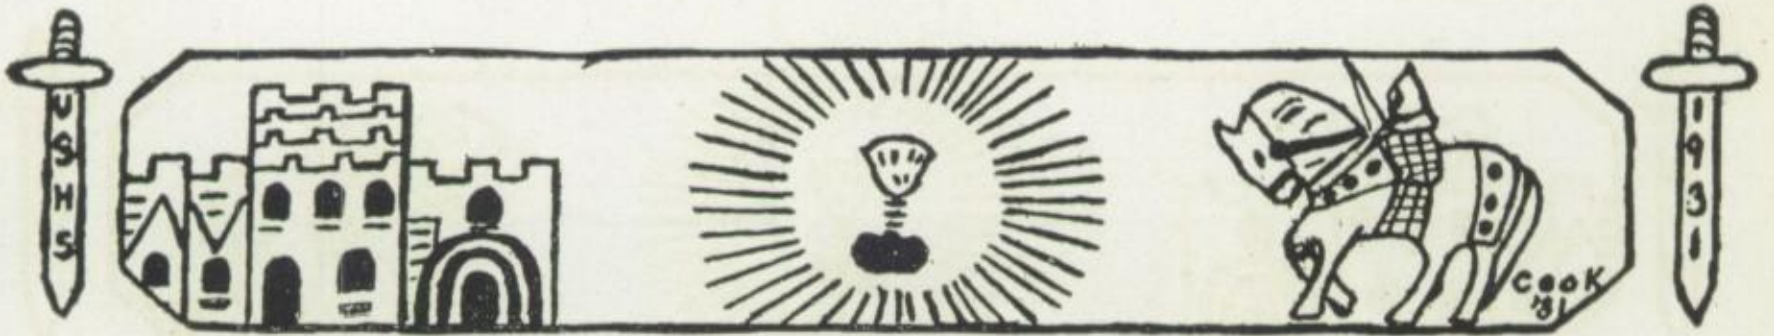

a

Coaches Raabe and Little are to be thanked and complimented for what they accomplished in building a team from new material. We are confident that the team of next season will show the training of this year.

Mr. Derickson

Sir Robert commandeers in the Junior Stronghold, but the Court of Learning has found him very valuable in helping to manage the school tourneys. We want this tribute to herald to him our thanks for his work and interest.

Janet Garwood

The squires (freshmen) claim a lot of "lung power". Janet has certainly made us exercise ours. Good work, Janet!

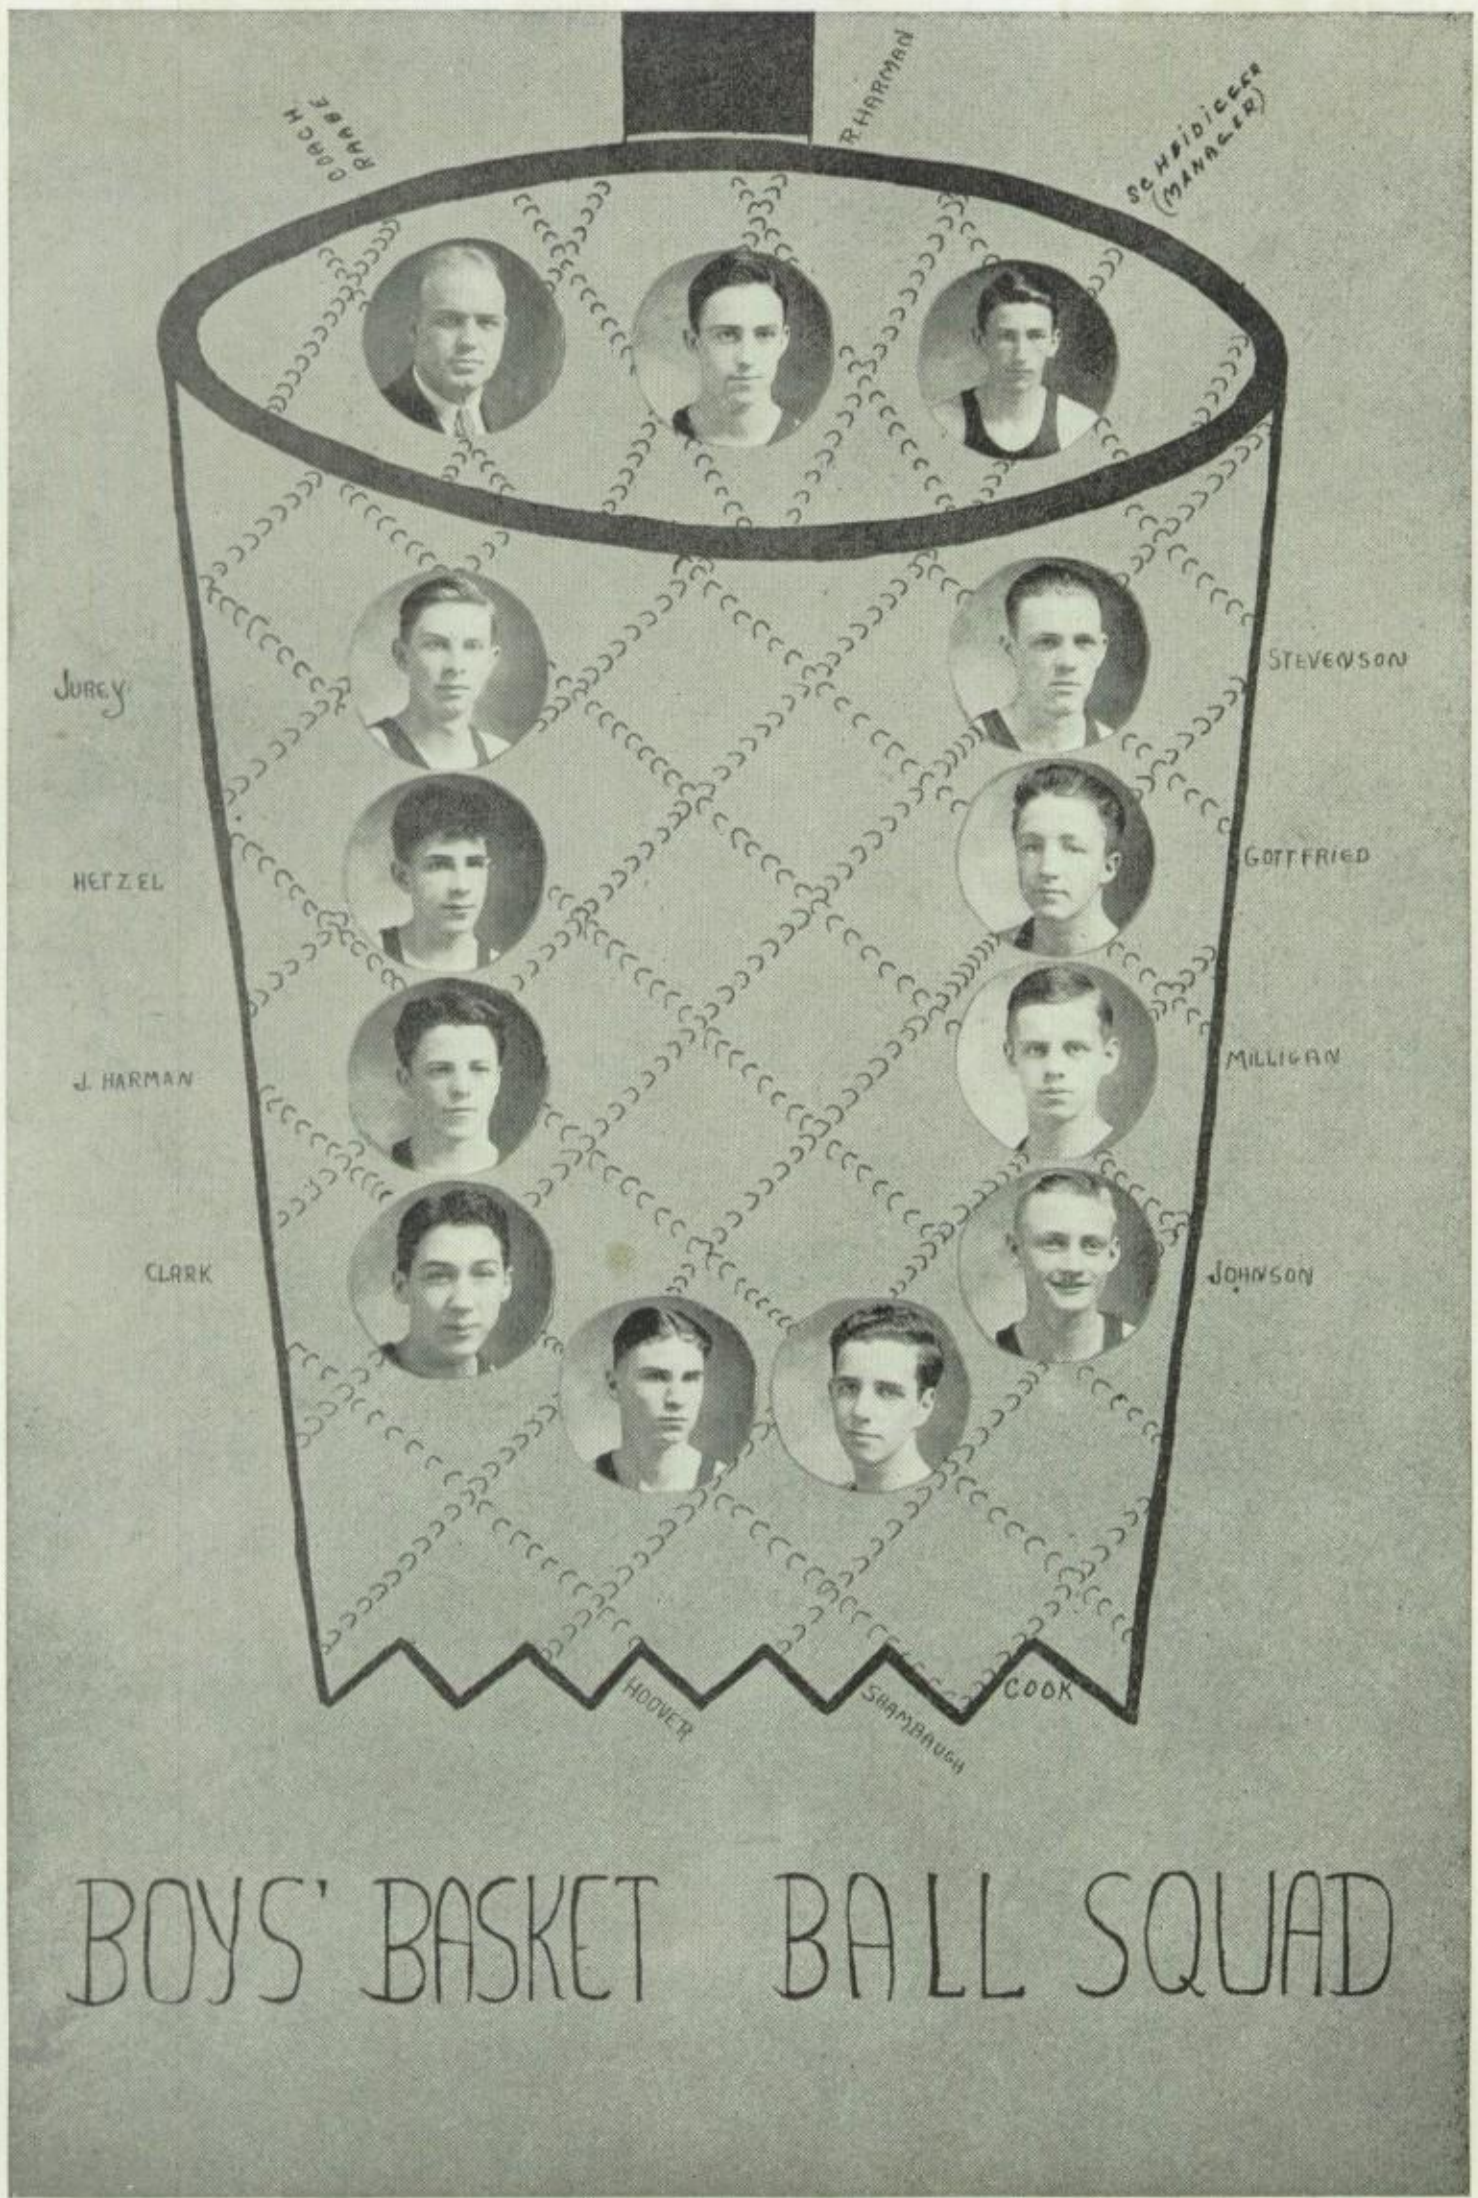

Jean Fleck

Jean's another of the "Megaphone Maidens". There is always a boost for the deserving when Jean's about. Rah for Jean!

Harold Hottman

When our teams go on the floor "Harold, the Hollerer" leads those in the balcony in peppy cheers. "Curly's" always ready to encourage or praise our players. Yea! "Curley!"

BOYS' BASKET BALL 1930-1931

Coach Raabe met about 35 boys the first night of basket ball practice. The squad consisted of many new fellows, a few veterans, and one letter man. Soon we settled down to hard practice, the results of which were displayed in our first game and our victory over Ada.

Success remained with us the first few games. However, a little later chief difficulty proved to be a one-point "Jinx". The boys accepted all "losses" and "wins" with the best sportsmanship. We always played our hardest, and the student body and local fans gave us untiring and whole-hearted support.

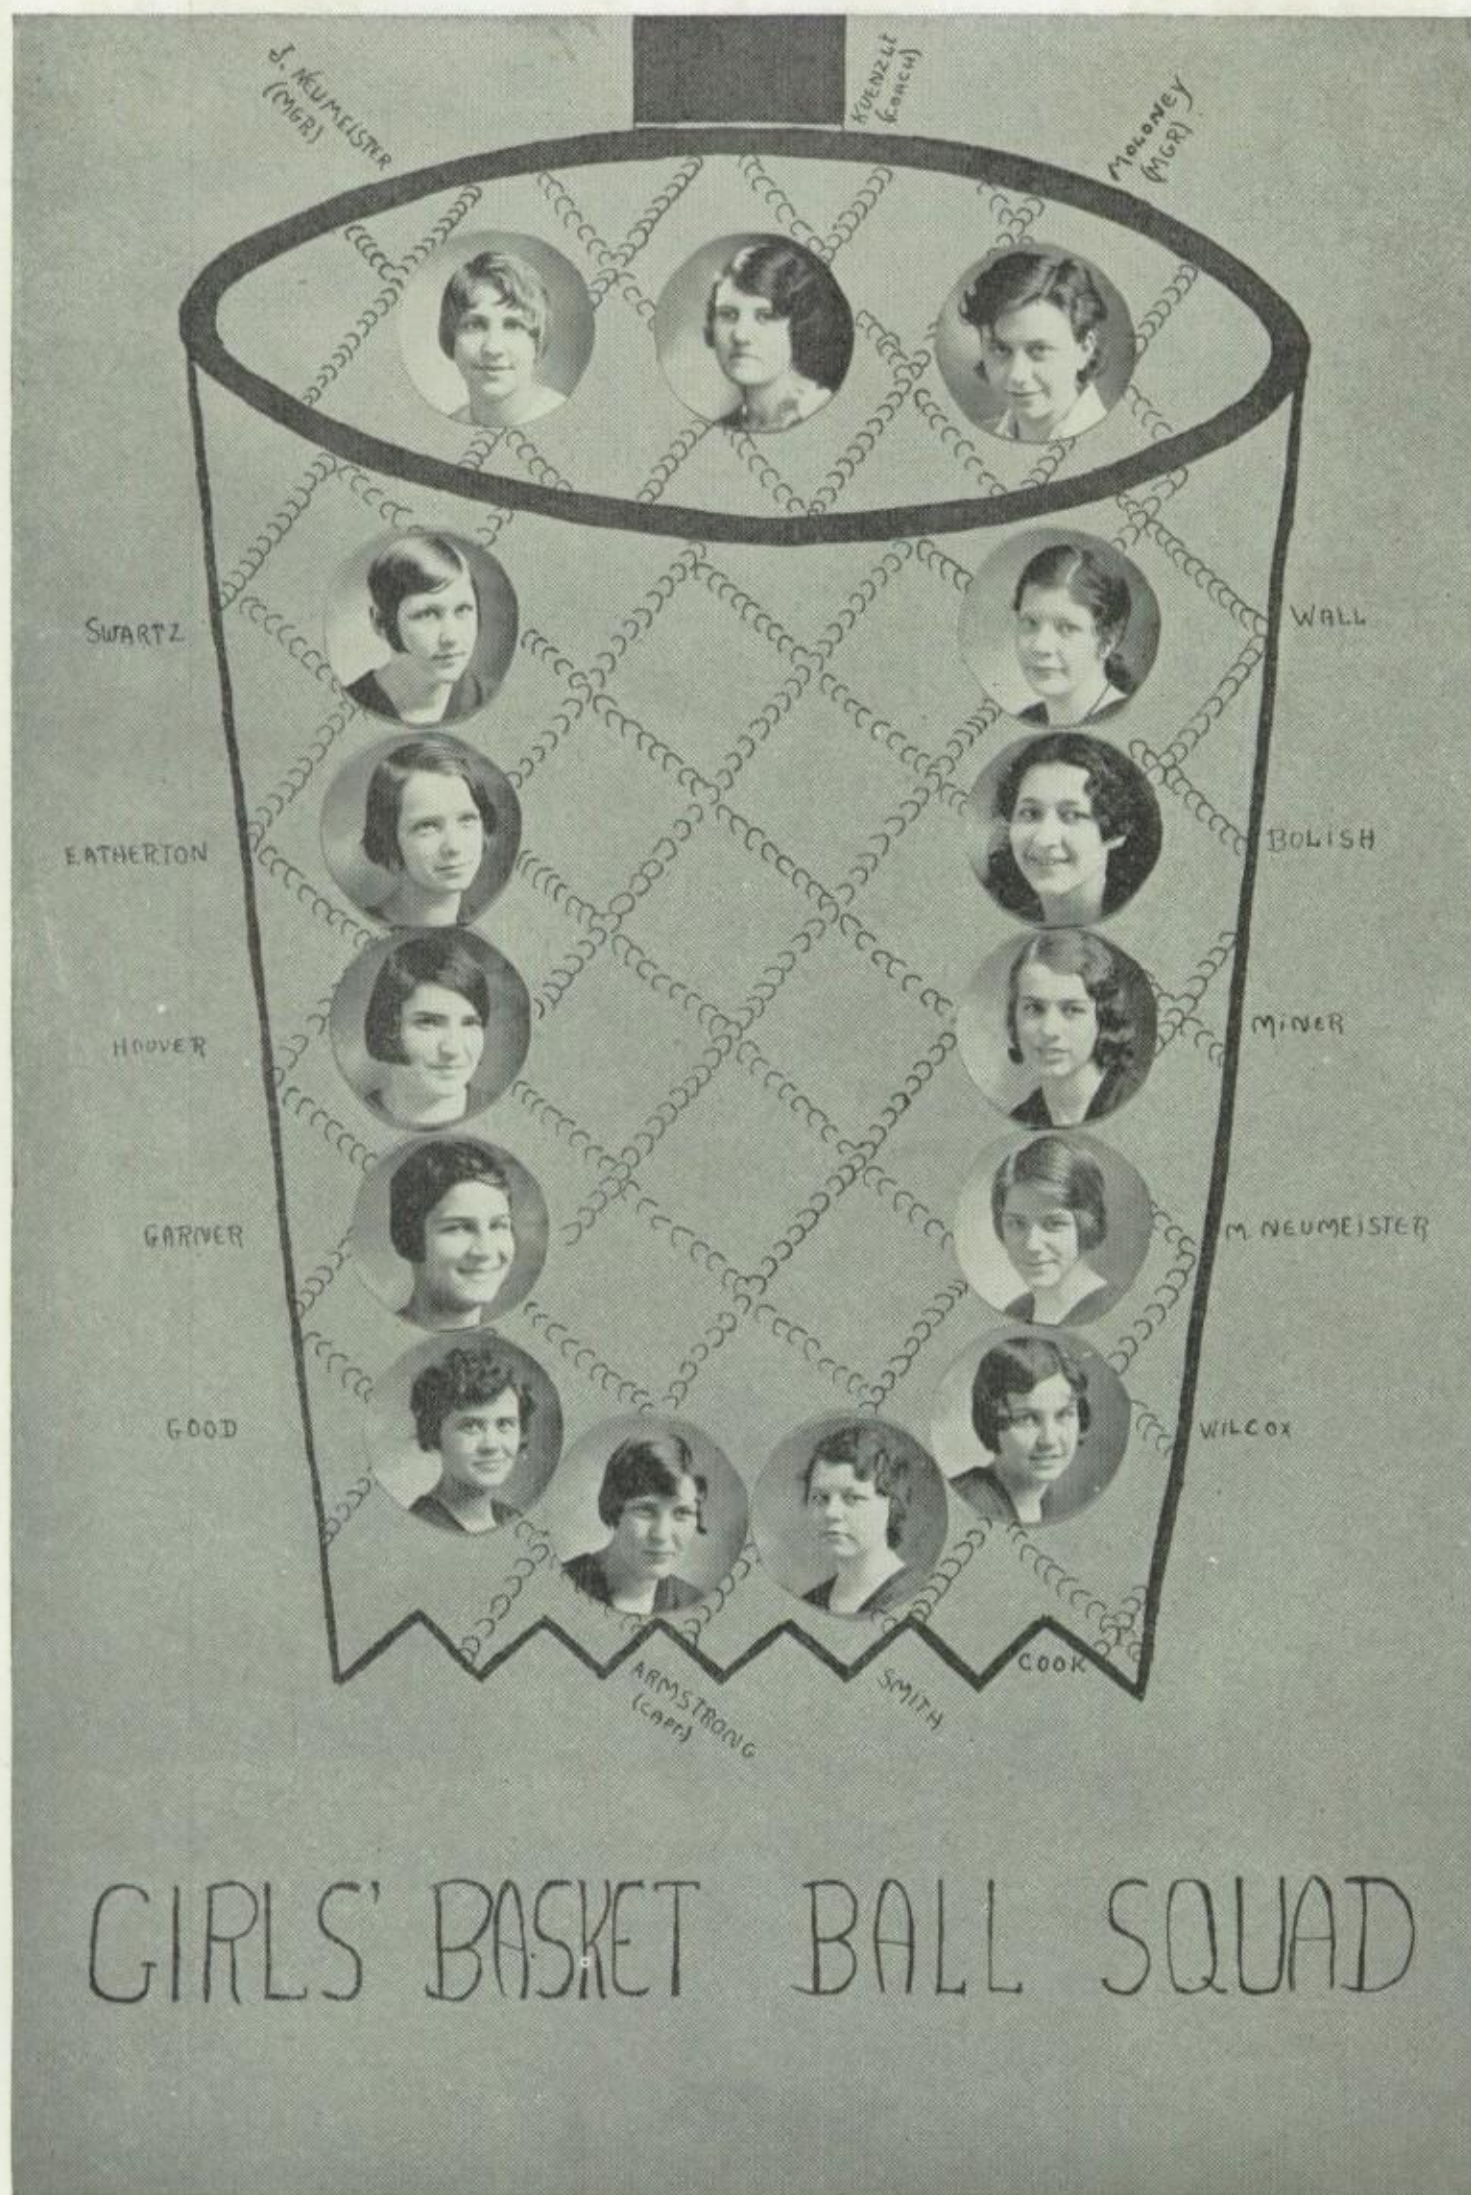

The season came to a close with the game at Galion in the District Class A Tournament, held at Bucyrus. Although the team was unsuccessful, we had the satisfaction of having been defeated by no less a team than the winner of the tournament.

All the players wish to thank Gordon Scheidegger for his tireless efforts in fulfilling his position as manager. Gratitude is also extended to basket ball fans in and out of school for their support was encouraging. We respect and honor Coach Raabe as our best guide and a fine friend. We sincerely wish for as profitable and memorable a season next year as this last one has been.

G. B. B. REVIEW FOR '30-'31

'Tis not the stalwart youths alone who sally forth in our tourneys bearing aloft the orange and black standard of Upper. Oh, no! The maidens of the land also display their colors upon the field of combat.

Early in the fall of 1930 about forty of us began practicing with "wim" and "wigor" for the basketball season's many games.

On December twelfth we traveled to Ada for our first tilt. Although defeated, we resolved to work much harder to make our games more successful.

Miss Kuenzli, our coach, took great interest in developing a winning team. Nightly she journeyed from the "Southern Palace" to the "H. S. Castle" in her little Ford.

Although we were unable to defeat our old rival, Carey, we fought a good fight and played our best.

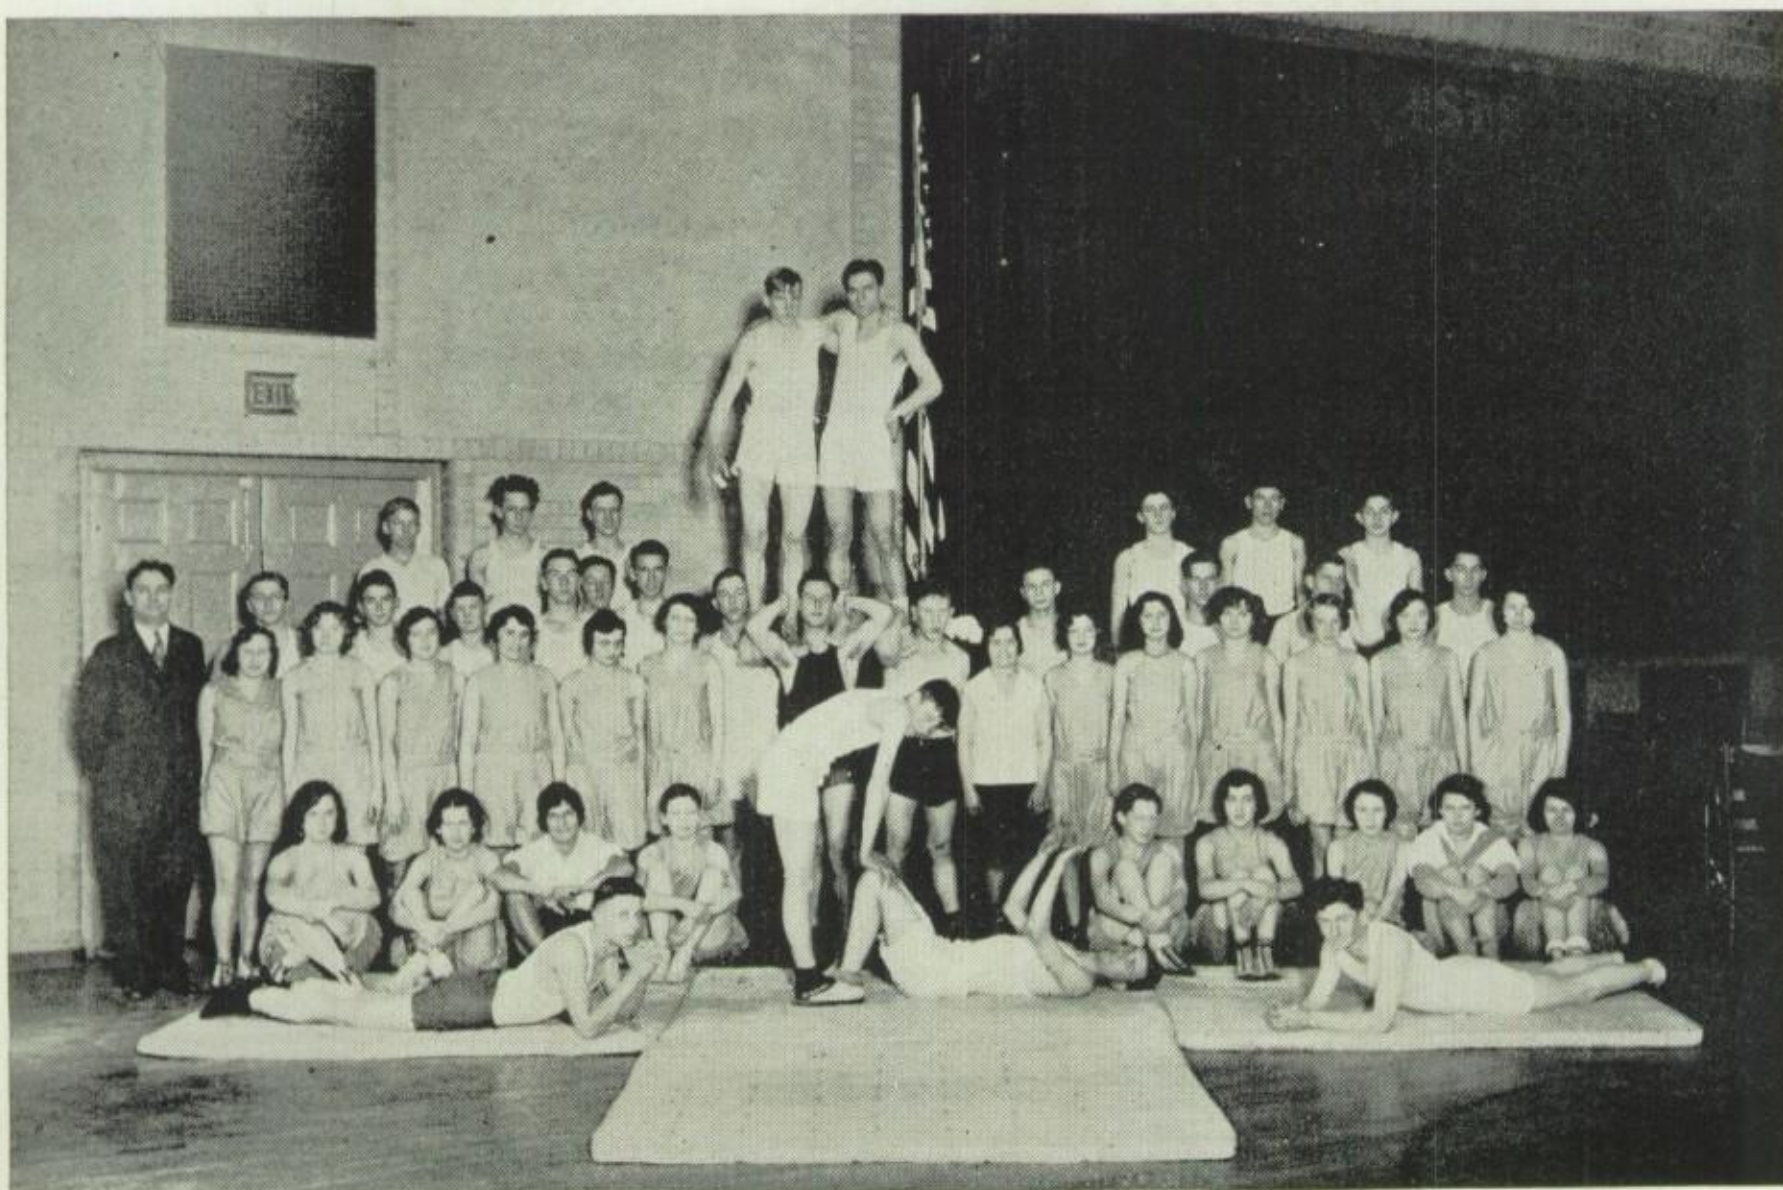

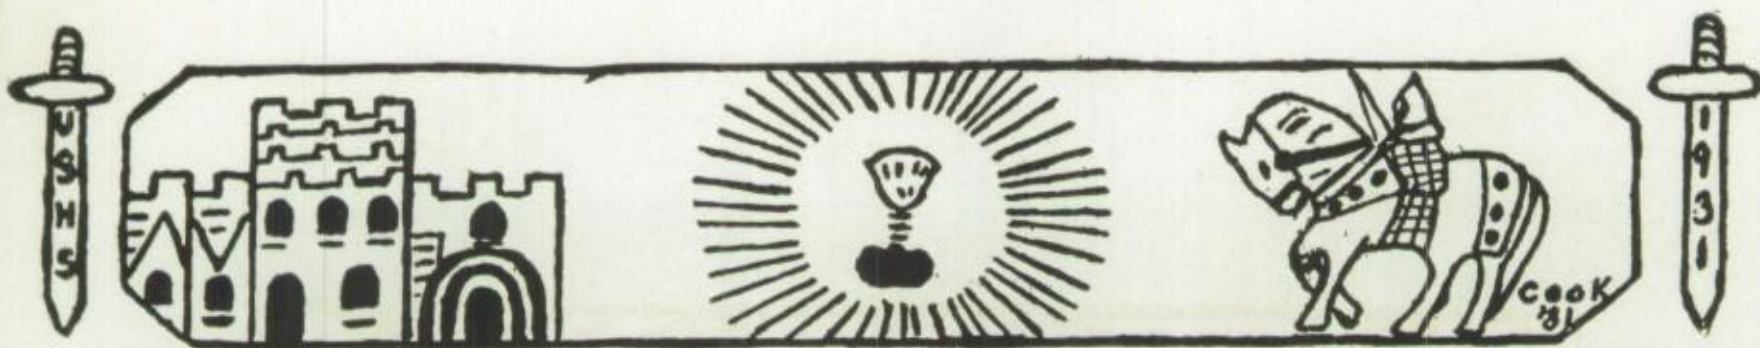

We are sorry to say that three of the letter girls are leaving this year. They are our Captain, Ruth Armstrong, Catharine Good, and Roma Smith. Six others who also earned their "U's" will be with the team next year.

Our appreciation is extended to our managers, Kathleen Moloney and Jane Neumeister; their co-operation and encouragement were splendid.

PHYSICAL EDUCATION

*Come, and let us be taught
The things which were naught
In the three years first,
Our High School thirst*

*We come to the class of Physical Ed,
The thing we have known about and read,
That develops the body, and at length,
Is the best foundation of physical strength*

Certainly! Everyone knows exercise keeps the body in perfect condition, and that in turn makes the standards of life high.

School gives us the necessary mental work required for every day routine, but the aim of Physical Education is to develop the features of the body as well.

We have first the general instructor, Mr. Little, an extraordinarily big, good, and efficient manager. He teaches the boys in turn flip-flops, and all kinds of funny stunts.

Then we have Miss Edmund and Miss Pease, the instructresses of the girls, who know very well how to tell the girls 'to, "strut their stuff."

There are four classes of girls and four of boys—two hundred—all enjoying the work-outs in the gym. The instruction and advice here given are appreciably taken and remembered.

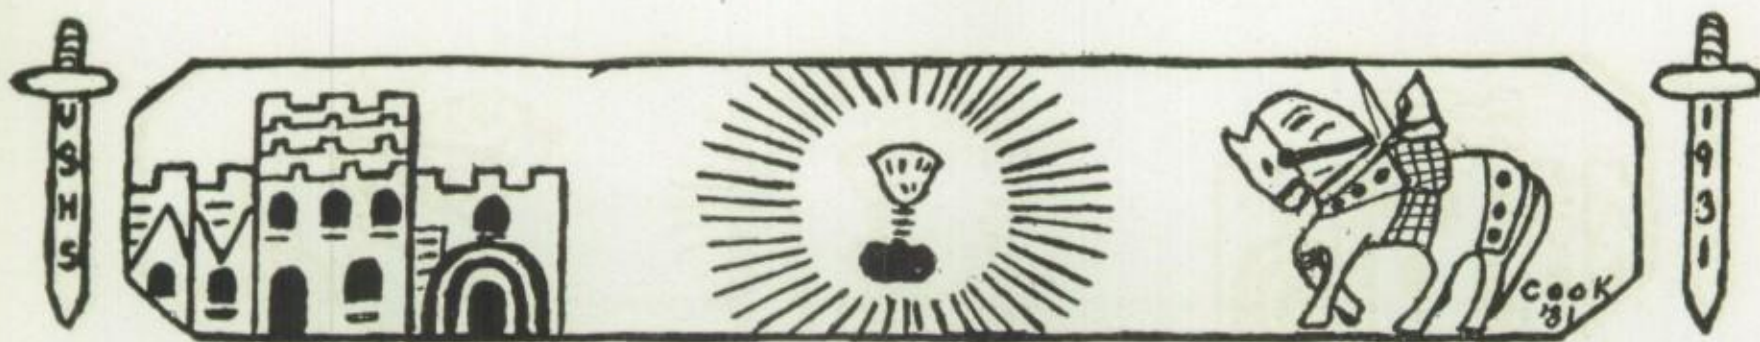

After the practice work of the year a program was given on February 2, in the High School Gym. At this performance the Physical Ed., pupils displayed their skill.

*And in conclusion, we know you'll find,
That health is the basis of body and mind
So we'll give our regards to a class who knows
How the future of physical training grows.*

—Helen Gatchell and Homer Woessner

SOCIAL

CICERONIA SODALITAS

In the Latin room of the High School Castle, Lady Erma Searns holds sway. This year she had a retinue of seventeen who with her read the orations of the eloquent Cicero. The foes of the realm whom they supposed were those aggravating second periphrastics, subjunctive moods, "et cetera", whose conquest proved necessary.

Early in the fall the peeress of this group granted her followers the privilege of organizing a Latin Club. They elected as their officers the following: President, Richard Harman; Secretary, Catharine Good; and Entertainment Chairman, Kathleen Moloney.

This Club met once a month at the Earldoms of various members. The programs at these meetings usually included stunts, games (Latin games were featured) and general social fun.

Eight members of this Latin Order are leaving the Castle of Learning. They wish for the club an interesting and profitable future. To Lady Erma they extend their thanks for her encouragement and patience in their behalf.

—Wilbur Lawrence '31

EL CIRCULO CASTELLANO

The Spanish Club has been one of many interesting orders of knights and ladies to be found within our kingdom this year. The "Nuestra Autoridad" of the club is Miss Helen Peese. Miss Louise Edmund who also speaks in "spinach" is an honorary faculty member.

Twenty of us organized in the fall and selected the following officers: President, Kathryn Stephan; Vice President, Helen Stephan; Secretary, Ruth Armstrong, Treasurer, Charlotte Altenberger.

The meetings were held every month with six serving each time. We had literary and musical programs, as well as evenings of social fellowship.

Perhaps you may want to know the purpose of this club. Our aim is to learn more about the habits and customs of the people whose language we study.

In February, twenty-eight juniors were taken into the club. The initiation ceremony provided much hilarity for the seniors.

The club has been successful in its two years' course and we, the senior members of '31, wish the future club greater success in the coming years.

—Ruth M. Armstrong '31

P. W. C.

During the second week in January, Miss Golling told us that we might organize a P. W. C. Club. Every member of the class was very much interested and on February 3, 1931 we held a meeting to elect officers. We chose as President, Helen Gatchell; Vice-President, Martha Ulrich; and Secretary-Treasurer, Leah Jeanne Kotterman.

The meetings were held every two weeks with members of the Club giving reports that were both educational and entertaining.

The purpose of our Club is to learn more about shorthand and business practices.

Miss Golling, chief scribe of U. S. H. S., has been a friend indeed, in helping us to overcome our difficulties in mastering evil forces (the queer little characters) which all good knights of business must subdue.

We hope future members of the Club will be as successful and enjoy their club as much as we have ours.

—Catherine Gillen '31

GIRL RESERVES

President Catharine Good
 Vice President Helen Stephan
 Secretary Kathleen Moloney
 Treasurer Beulah Larick

The Girl Reserve Club of Upper Sandusky, Ohio has now been in existence for nine years. Our club tries to bring forth the best in every girl who claims membership. It encourages the four-fold life, the spiritual, physical, mental and recreational sides of living. Our club has a most noteworthy aim; it is, "To make this club a force of uplift in our school; to find the key to our betterselves; to give service, friendship and love to all."

Our chief adviser for the year was Mrs. Ray Klingman. She was competently assisted by Mrs. B. F. Main, Mrs. G. M. Gaver, and Mrs. C. W. Bringman. We held discussion meetings every second Monday. Our discussions followed Margaret Slattery's book "Important to Me." Our discussion group leaders were: Miss Evelyn Neumeister, Miss Erma Stearns, and Miss Helen Pease.

We wish to thank the advisory committee, the discussion leaders, and all those who helped to make the year '30-'31 a success.

—Kathleen Moloney.

SENIOR HI-Y

The purpose of the Senior Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian Character. The Hi-Y dynamic is "Contagious Christian Character;" the slogan—"Clean Speech, Clean Living, Clean Scholarship and Clean Athletics."

The twenty-eight members of the club met every Thursday night at the Y. M. C. A. for meetings. Open discussions took place among the boys on topics concerning "Jesus and a Boy's Philosophy of Life."

Some of the important speakers who took part in the meetings were Mrs. Cartwright, from the State Board of Health, Homer Steck, Mayor S. N. Clark, and Mr. L. H. Houpt.

Our club was well represented at the Van Wert Older Boys' Conference and the Wyandot County Older Boys' Conference. Much fellowship and goodwill were derived from these conferences.

This year a Junior Hi-Y was formed in the high school under the capable leadership of Dwight Foreman.

Much credit is due Mr. R. H. Klingman, who gave his time and ability to make this Hi-Y year a success.

—Richard Harman.

JUNIOR-SENIOR BANQUET

On May 21 one of our most outstanding festivals occurred at the Senior High "Studio." The gym, which had been transformed, was lighted with bridge lamps and modernistic lanterns. Candles in bottles formed the centerpieces of the tables which were arranged along the sides and in the corners of the room. A palette and brush marked the place of each guest at the tables. Waitresses in gay smocks with flowing ties and Tam O'Shanter, served the dinner to the guests, while an orchestra composed of "artists", wearing the same costumes, furnished music (from the balcony) for the dance which followed the dinner. During the evening the guests were privileged to view the "masterpieces" in oil and water colors which lined the walls of the studio. Statuary was to be seen in the corners. Karl Althaus was the artist in charge of the exhibition and it was he who welcomed Friel Ulrich and his group of artist friends from the neighboring colony.

The Seniors take this occasion to thank the Juniors, and their advisors, Miss Pease and Miss Edmund, for the delightful evening of entertainment.

When one shaft splits another

NO succeed once may be a matter of luck. But when one distinctive and successful Annual "by Canton" is followed immediately by another—and another until they represent a continuous record of achievement, then it must mean "good marksmanship." Details of the successful Canton plan will gladly be given without obligation to any Annual editor, or manager, who is interested. ◇◇◇◇◇

Mrs. Little: "Dear, what is the difference between direct taxation and indirect taxation?"
